

NEW Portable RFID Stick Reader – AWR100/200 from Agrident

January 30th, 2012 . Toronto Canada

RFID Canada, technology provider and Canadian distributor for Agrident GmbH is introducing a new RFID Stick Reader Module . the AWR100/200.

The new RFID Stick Reader is a lightweight, high performance, rugged handheld reader that works under extreme conditions and includes the following features:

- A rugged IP67 protected casing with high temperature stability and impact resistance
- Reads Passive, HDX and FDX-B, Low Frequency (LF) tags
- Fully compliant with ISO 11784/5 standards
- Non-volatile memory allows storage of 5000 tags plus time-stamp
- LCD display
- Consumes less power resulting in longer operating hours before charging is required
- Class 1 Bluetooth (BT) (up to 100m) works in Master and Slave mode

The new RFID Stick Reader high power mode offers the best read range in its class. The bi directional BT communication enables online communication via BT, with PDA, Smart phones or PC.

About RFID Canada

RFID Canada is a technology provider. Products include all Passive frequencies - Low (LF), High (HF) and Ultra High (UHF) as well as Active frequency. RFID Canada is the Canadian distributor for Texas Instruments, Feig Electronic and Agrident.
